

IQZoom Series Cameras Extended Warranty Statement

1. This extended limited warranty is registered with PENTAX CORPORATION. It is not refundable nor transferable, and is only valid if purchased at the same time as the purchase of a new Pentax IQ Zoom Series Camera, which is covered by a Pentax New Product One-Year Limited Warranty. This extended warranty applies only to the Pentax IQ Zoom Series Camera distributed solely by the U.S. distributor, PENTAX IMAGING COMPANY, 600 12th Street, Suite 300, Golden, CO 80401, and purchased from a PENTAX authorized dealer.

2. PENTAX IMAGING COMPANY warrants to the original purchaser the product herein registered, to operate according to factory specifications for a period of five years from the original date of purchase (one-year standard + four-year extended). This warranty is limited to the repair, adjustment or replacement of defective parts at PENTAX'S option.

3. Furthermore, PENTAX will provide at no charge one complete check-up at any time during the warranty period. This includes inspection of all camera functions to see that they meet factory specifications, as well as any adjustments which are deemed necessary.

4. This warranty shall NOT apply if it is shown by Pentax that the defect or malfunction was caused by damage resulting from operation of the product contrary to instructions contained in the owner's manual, or any misuse or abuse of the product. Also, this warranty does not cover any defect which has occurred as a result of any modification or servicing performed by anyone other than Pentax. Routine cleaning and normal cosmetic and mechanical wear are not covered under the terms of this warranty, except as described under #3 above. Removable batteries and damage caused by leakage of those batteries are not covered by Pentax's limited warranty.

5. Pentax's sole responsibility is as set forth above. PENTAX SHALL NOT BE LIABLE FOR ANY CONSEQUENTIAL OR INCIDENTAL DAMAGES (such as ruined film, processing, travel, batteries, etc.) RESULTING FROM ANY BREACH OF WARRANTY, EXPRESSED OR IMPLIED, APPLICABLE TO THIS PRODUCT. Since some states do not allow the exclusion or limitation of consequential or incidental damages, this limitation may not apply to you.

6. If this product needs service, pack it carefully, using ample packing material to prevent damage during shipment, and mail it to the Pentax Service Center, postage prepaid and insured. NOTE: Pentax Imaging Company will not assume the responsibility for damages or loss encountered in transit, but will assist the sender in processing any claims whenever possible (such as submitting statements to the carriers when applicable and talking with them on the phone to help expedite the claim when applicable).

In your package, please include the following:
